

What is at the Center of Your Child's Education?

"The fear of the Lord is the beginning of knowledge." Proverbs 1:9

The educational decisions you make for your children today will shape their lives and their eternity. Christian schools provide a personal, caring atmosphere where each child is loved and appreciated as a unique creation of God. Excellent Christ-centered education integrates biblical truth into every area of the curriculum as well as student activities.

Does Your School teach Your Child to Think Biblically?

"Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord." Ephesians 6:4

Are your children in the difficult situation of learning an opposing worldview at school from what they learn at home and in church?

To Whom Will You Trust Your Child's Mind?

"Everyone who is fully trained will be like his teacher." Luke 6:40

Christian teachers are important in any school! In a Christian school teachers are free to pray with your child, reinforce biblical values taught in the home, and celebrate Christ at Christmas, Easter – and every day!

Christian schools partner with parents and the church to lead our young people to Jesus Christ and then to disciple them to love God, obey authority, enjoy learning, and develop their God-given gifts and talents.

Have you Considered Christ-Centered Education?

"Love the Lord your God ... with all your mind." Matt. 23:37
